Kansas 4-H EID Tag Change Form
Livestock Nominations

When an animal loses a Kansas 4-H EID tag, an Extension Agent must verify that a new EID tag is administered into the same animal that was nominated. Complete this form and return to ensure proper changes are made to current nominations on file.

This form must be completed and sent to:
Kansas State University
c/o State 4-H/FFA Shows
214 Weber Hall
1424 Claflin Road
Manhattan, KS 66506

Family Nomination NAME: _____

KSU Nomination NUMBER: _____

County: _____

Choose Specie (circle one):

Market steer/heifer

Commercial Heifer

Market hog/commercial gilt

Market lamb/commercial ewe

Meat Goat

Original 4-H tag #

New 4-H tag #

Barcode Sticker of the NEW TAG

Date of Tag Replacement

I verify that the animal that this replacement tag has been applied to is the same animal that was tagged with the original tag. I also verify that I have seen the replacement tag in the animal.
