Please ***TYPE*** above a complete description of your outfit for the narrator of the Fashion Revue to use. Write it the way you want it read (about 3 or 4 sentences, please). Give color, fabric type, accessories, etc. Include your hobbies, sports, 4-H activities, or special awards. Be sure to write your description in the third person (he, she).

Following is an example of the kind of script you may wish to follow:

Crisp white linen cooled by silky blue navy; a perfect fabric choice for Janet Jones, a member of the Jumping Jolly 4-H Club. She worked a miracle with these fabrics, turning them into a stylized cardigan jacket, pleated skirt, and soft blouse. This high school senior enjoys showing horses and she designs and makes all of her show clothes.
