Hi! My name is Sophie Pancost and I'm from Lucas! I am a sophomore at Kansas State University studying Elementary Education. This is my first year working for the Midway District and I am super excited! I am most looking forward to meeting and working with all the kids in Russell and Ellsworth county. I'm also excited to get some more experience teaching!

My name is Lexi West. I live outside of Ellsworth on a small farm. I have worked for Midway District for 2 years as a Summer Assistant and have really enjoyed it. This year I wanted to tackle a bigger job with this internship. I am most excited to meet and have fun with the kids in Ellsworth county and Russell county. In the fall I am attending Moberly Area Community College to play softball and study Animal Science and Ag Business.

Livestock Sale Participants

NOW is the time to start visiting with supporters for the Premium Auction at the fair. Be sure to thank them for previous support and ask for their continued support of 4-H members' projects.

Brain-storm with your parents—who does your family do business with? Think about your bank, parents’ employers, local or regional businesses. If they cannot commit to supporting the auction (or they are providing support in another way at the fair), remember to politely thank them for consideration.

Having an “elevator speech” ready about WHY 4-H is important and HOW it has impacted you are crucial pieces of these conversations.

Additionally, begin thinking about lining up processing slots depending on your species as we don’t always have a floor for some areas.

4-H IS ABOUT MORE THAN THE ribbons & awards...

It’s about the people, the experiences, the life-long skills, the memories, THE COUNTY FAIR

It’s about being a role model, giving back, & making the best better.

 Cloverbud Guidelines for the Fair!

Cloverbud 4-H is a non-competitive learning experience for youth ages 5-6 years old. Cloverbud 4-H members receive participation ribbons, feedback from the judge, but do not receive premiums or participate in the premium auction.
4-H Code of Conduct

The 4-H Code of Conduct is intended to foster a safe environment that encourages optimal learning and growth. The opportunity to participate in or attend 4-H activities is a privilege and not a right. All 4-H participants – youth, families, volunteers, and Extension staff – who participate in or attend any activity or event sponsored by Kansas State Extension 4-H Youth Development Program are expected to uphold the values of the Kansas 4-H program and conduct themselves according to the following standards listed below. These standards also apply to online 4-H activity, including social media and internet presence. Whether online or in person, this Code of Conduct is to guide participants to think critically, behave safely, and participate responsibly in our shared world. The following Kansas 4-H Code of Conduct is a condition of participation in any Kansas 4-H activity or program.

1. Be present, attentive, and engaged in the 4-H activities. Practice good sportsmanship, be helpful to others, uphold ethical practices in 4-H projects and events, and never cheat or falsely represent efforts related to 4-H project activities.
2. Know and follow federal, state, and local laws that apply to minors (e.g., no use of alcohol, illicit (non-prescribed) drugs, and tobacco in any form) even when I am 18 or 19 years old and still a program participant.
3. Use language and actions that do not substantially interfere with others’ participation in the program. (Swearing, harassment, and bullying are not allowed.) You are personally responsible for any damage you cause as a result of your behavior, including the cost of any physical injury or property damage you cause in the course of your participation in any program or event.
4. Know and follow safety policies and procedures of Kansas State University, K-State Research and Extension (KSRE), and guidelines of the 4-H Youth Development Program, as applicable to this program. (Such as: not leaving the program area without permission from the program supervisor; be in assigned lodging and program areas during activities; abide by curfew hours; and, any other additional safety policies established by a specific event or program.)
5. Obey all rules and directives that apply to the 4-H activity where I am involved.
6. Use mobile electronic devices during a scheduled 4-H activity only in a manner that is consistent with the approved activity and not disruptive.
7. Conduct yourself and your project work in a manner that is trustworthy, respectful, responsible, fair, caring and in good citizenship. You are representing your family, 4-H club, community, Extension unit, and state.
8. Apply these conduct standards to online 4-H activity, including social media and internet presence.

REVIEW
- 4-H Update Important Dates/Deadlines (Calendar)

TO DO
- Check mailbox at the Extension Office
- Report from 4-H Council Meetings
- Provide any leadership changes to the Extension Office ASAP
- Update Volunteer Renewal information

PROMOTE/RECRUIT
- 4-H members: ask a friend to attend meetings
- Encourage current 4-H members to review and complete applications for KYLF, Citizenship in Action, Citizenship Washington Focus
- Remind all 4-H members and parents who are volunteers to enroll via 4-H Online
- The Extension Office has a copy of the Cloverbud handbook for each club - please provide this resource to your club Cloverbuds
- Provide officers and clubs leadership updates as soon as possible to the Extension Office
Ash Creek 4-H Club in Ellsworth County brought the Ellsworth County Fair to the residents at Good Samaritan Society. The residents enjoyed spending time with the animals and seeing the kids show off their presentations.
As a reminder, completion of YQCA is required by July 1 of the current year to sell an animal (including poultry and rabbits) through the livestock auction and to show at the Kansas State Fair and the Kansas Junior Livestock Show. Registration is required via https://yqcaprogram.org/

Please consider this an important educational aspect of livestock projects.
