

Clothing: Identification Labels (no straight pins may be used to attach these items). a) Type or print on 3" x 2½" piece of cloth: Class Number, County or District, Name. b) Sew labels on inside of garment (back of neck, center back of waistband, or left end of apron band). Label each piece. c) Place entry form and score card on front left shoulder seam of garment or to the left side of waistband with hanger opening facing to the left, as if you were wearing the garment, so that the hanger opening faces the attached entry form.

Demonstrations and Illustrated Talks: Entry cards will not be printed for Demonstrations and Illustrated Talks.

Energy Management: Tie entry card and scorecard (including additional information from exhibitor) to the exhibit with string, or fasten the string to the form with masking tape and attach to the exhibit where it can be easily seen. Any project with a complexity of size or electronics must have (a) instructions for assembly and use and (b) equipment available at the time of judging for actual testing of the exhibit.

Entomology and Geology: Tape entry card to the outside of the top end of one box. For Geology Exhibits, please include the Geology Photo Release Form.

Fiber Arts: In addition to the entry card, type or print on 3" x 2 ½ "piece of cloth: class number, county or district, and exhibitor's name; Many Extension Offices have these types of labels available. b) Sew or safety pin this ID label on the corner of flat articles; c) For garments, attach ID label to the front left shoulder seam, of left side of waistband, as if you were wearing the garment. The exhibitor should also attach an index card, no larger than 3" x 5", with the entry form to give the judge any information on what parts of the exhibit they made, processes used, or other information which the exhibitor thinks would be helpful to the judge. For all items please indicate if item was made from a kit. For knitted and crocheted items, please indicate fiber content and specifically if they are made of at least 90% wool.

Foods and Nutrition: Carefully secure the entry card, recipe and evaluation form to the outside of the wrapped exhibit. Do not wrap forms in plastic. The exhibitor is encouraged to attach a 3" x 5" index card with the entry card to give the judge any information which the exhibitor thinks would be helpful for the judge to know. Attach gummed label to bottom of plate or cardboard. Label should contain: Class Number and Name, Product, 4 H member's Name, and County or District. Complete recipes with ingredients and instructions must be attached with the entry or the placing will be lowered one ribbon when judged.

Foods Preservation: Punch a hole in the entry card and use a rubber band to attach the entry card and recipe around the top of jars. Each jar exhibited must be labeled with a uniform label placed 1" from the base of jar. You may need to make a label using an adhesive mailing label. The label must not cover brand name of jar. The label must give: Class No, Division, Product, Canning Method, Process Time, Pressure (psi), Month and Year Processed, Name, and County/District. Each exhibit must have the complete recipe and instructions attached with the entry card or it will be lowered one ribbon placing.

Foods and Nutrition Educational Exhibit: Entry card should be taped to the exhibit. The educational exhibit evaluation form is no longer required from the exhibitor.

Home Environment: The entry card must be attached to the exhibit. The Home Environment Exhibit Summary sheet is no longer required from the exhibitor.

Horticulture: Exhibits on paper plates - attach string to the entry card and tape or staple string to plate. Collection - tape securely to container with masking tape. Potatoes - fasten around one potato with rubber band. Other large single horticulture exhibits - if possible, tie with string or tape to exhibit. Each exhibitor should complete the required information on the Crops/Horticulture Comment Card and attach it to the exhibit by punching a hole in the upper left corner of the card and attaching it to the same string as the entry card. Vegetables will not be sold at the IFYE Food Sale.

Photography: Photography entry labels will be printed and sent to Extension Offices. The State Fair 4-H Photography ID Form must be used and mounted correctly on the bottom front of the matte board and the Entry Label affixed to the Photography ID form. On the back of the mount, please write; the exhibitor's name, address, photo class, location where the photograph was taken and the Extension Unit (county/district). If in a district, please include county name. SpaceTech – Astronomy: Each telescope exhibit must include a 4-H Astronomy Exhibit Information Form, attached to the outside of a 10" x 13" manila envelope. Construction plans, two photographs showing telescope construction and operation must be placed in the manila envelope. Photographs should be mounted on one side of an 8 ½" x 11" page with a brief caption of each photograph. Exhibitor's name, county or district, age, and year(s) in project must be tagged or labeled in a prominent location on the telescope stand, educational display, notebook, and/or poster.

SpaceTech – Robotics: Each exhibitor is required to complete the 4-H SpaceTech Robotics Exhibit Information Form. This form must be attached to the outside of a 10" x 13" manila envelope. Written instructions for operation, construction plans, one to three pages of project photographs or a 5 minute CD, DVD, or video presentation, and robot programming information, if applicable should be placed inside the envelope. Exhibitor's name(s) and county or district must be tagged or labeled in a prominent location on the robot, educational display, and/or notebook.

SpaceTech – Rocketry: Attach entry card to the rocket with string. The report that accompanies the rocket must be limited to the 4-H SpaceTech Rocket Exhibit Information Form which is attached to a 10" x 13" envelope. Plans must be placed inside the envelope. One or more photographs of the rocket at the launch site are required. Photographs should be mounted on one side of 8 ½" x 11" page(s). There are to be at least 1 page of photos and no more than 5 pages of photos.

Visual Arts: Entry card and Exhibit Release Form should be attached to the exhibit with tape or string.

Woodworking: The entry card, plans and all other paperwork should be secured to the project in some manner. Tape is usually not adequate to accomplish this. It is recommended to use a zip top plastic bag with a hole punched through it and using string to tie this to the exhibit. Exhibits with missing or insufficient plans will be lowered one ribbon placing.

Project Exhibit Judging

Fashion Revue: Entry cards will not be printed for Fashion Review. A time schedule for contestant judging will be mailed to Extension Offices as soon as pre-entry information is received and processed. As youth are signed up for Fashion Revue, they will have the opportunity to select a time frame that they would like to be judged during. Note that there will be two public revues again this year. The revue for constructed garments will be at 4:00 p.m. and the revue for purchased garments will be at 5:00 p.m. Both revues will be held in Hansen Auditorium in the 4-H Encampment Building.

Geology/Lapidary: Exhibitors may come for a consultation review of their work by visiting with a member of the judging committee. Someone will be available from 3:00 - 6:00 p.m., first Friday, in the Geology Exhibit area. Meeting Spaces If you need to schedule a meeting at
