4-H Rules & Regulations

4-H GENERAL RULES

All entries are limited to 4-H boys and girls who are enrolled in 4-H projects in Ellsworth County. 4-H members must be at least seven years of age and not older than 18 as of January 1st of the current year.

4-H members must have been enrolled in a 4-H club project in which they exhibit by May 1, 2022. Exhibits must be the result of 4-H club projects since the last County Fair.

Any items not listed will be left to the discretion of the Agent in conjunction with the Fair Board. Premiums may be withheld on items not listed.

The Midway District Extension Council, the 4-H Council, and the Ellsworth County Fair Association will not be responsible for accidents. All possible care will be taken of exhibits, but the Council will in no way be responsible for any damage or loss sustained.

CODE OF ETHICS: Believing it is in the best interest of all junior exhibitors to maintain a reputation of integrity and to present a wholesome image, The Ellsworth County Fair Association sets for the following regulation: 4-H members are expected to conduct themselves according to the highest standards of their organization. All participants are expected to act in a professional manner showing respect to judges, other exhibitors, staff and the public. Inappropriate conduct (drinking, stealing, vandalism and indiscreet behavior) WILL NOT BE TOLERATED. Any violation of this rule will be grounds for disqualifying the exhibitor and/or livestock involved and any premium money earned will be forfeited.

ALL reference to age means as of January 1st of the current year.
Maximum age for exhibitors is eighteen (18) years old on January 1st.

Junior Division (unless otherwise stated):

4-H members 7, 8 and 9 years old on January 1st

Intermediate Division (unless otherwise stated):

4-H members 10, 11, 12 and 13 years old on January 1st

Senior Division (unless otherwise stated):

4-H members 14 years old or older on January 1st. Past champions are eligible.

Pre-entry is required for all Divisions. ALL Pre-entry must be completed online via Ellsworth County Fair. Any entry turned in late will be assessed a late fee per entry AND the fee must be paid at the entry time. Late entries will be assessed as follows:

4-H Rules & Regulations

<i>Before July 10: No Fee</i>	<i>July 11-Day before fair starts: \$10</i>	<i>Day fair starts-Day fair ends: \$25</i>
-----------------------------------	---	--

This is in place for all areas except for Fashion Revue, no late entries will be accepted for Fashion Revue. Exception to the Late Fee Penalty is if the 4-H member changes classes within a certain division for which they were already entered.

Intent To Sell Cards for the Livestock Premium Auction must be turned into the Fair Office by 10:00 p.m., Wednesday, July 20, 2022, if you intend to sell an item in the auction. All animals to be sold must meet minimum final weight requirements. Any 4-H'er selling livestock at the Ellsworth County Fair will have completed Youth Quality Care of Animals annual certification by July 1st of the current year via Midway District Extension Office on-site classes or online. This includes beef, sheep, goats, swine, rabbits, and poultry. If a certification is number is not on file prior to July 1 of the current year, exhibitors will not be able to participate in the Livestock Sale.

Intent to Sell cards for the Silent Auction (for static items only) must be turned into the Fair Office by 12:00 pm, Wednesday, July 20, if you intend to sell an item in the Silent Auction. 4-H'ers may only sell ONE item/animal in either the Livestock Premium Auction OR the Silent Auction. The Silent Auction is a terminal auction; the item you are auctioning will be given to the buyer.

Entry Cards

Entry cards may be picked up at the Ellsworth Armory on Monday, 8:00 a.m. to 2:00 p.m. and again on Tuesday from 8:00 a.m. to 10:00 a.m.

Entry cards must be attached to all exhibits in the Ellsworth Armory. There will not be any entry cards for livestock, horse, dog, poultry, rabbits and pet exhibits. Exhibitor should not make comments on the exhibit card about their project.

Ribbons and Judging

Projects will be judged using the Danish System which is a method of evaluation where a 4-H exhibit or process is evaluated against a set of standards, and recognition is awarded on the degree to which the standard has been met by each 4-H member. The standards of excellence are often printed on a judge's scorecard, and allows for the 4-H exhibit to be judged on one's own merit, and not in comparison with others in the class.

4-H Rules & Regulations

The following ribbons apply:

WHITE: Fair, much improvement needed. Fails to meet minimum standards.

RED: Good, some improvements needed. Meets minimum standards.

BLUE: Excellent, minor improvements needed. Exceeds minimum standards.

PURPLE: Superior, outstanding on all standards.

One ribbon placing will be docked if all project requirements are not met.

Champion and Reserve Champion ribbons will be awarded to each project as long as all qualifications are met and the judge feels the quality to receive such a ribbon is exhibited. For breeding livestock, breed Champions will be designated.

Only champions or class winners are eligible for Overall Grand Champion. If the division only has one entry or one champion the judge will determine if the exhibit is worth Overall Grand Champion. After the selection of the Overall Grand Champion, the Reserve Champion or 2nd place winner in that division or class will compete for Overall Reserve Champion **with the exception of the Horse Project (see specific rules for Horse Showmanship Grand and Reserve Champion selection)**. No red ribbons will be considered for Overall Grand Champion. **All purple winners are eligible for State Fair if members and exhibits meet the State Fair guidelines.**

Only exhibits designated by the judge are eligible for the State Fair except all Blue ribbon livestock which are eligible with Extension Agent approval. 4-H members must meet age requirements to exhibit at State Fair.

Classes marked with an asterisk () are NOT eligible for Kansas State Fair Competition. Cloverbuds have their own Division - See page 11.*

Protests and Grievances

Protests or grievances regarding fair operations or qualifications of eligibility of any competing person, animal, or object submitted for competition and showing in any class or event must be submitted in writing, signed, and accompanied by a \$50 deposit. The deposit is forfeited if the protest is overruled. The hearing committee will consist of Ellsworth County Fair Association Executive Board, Extension Agent and relevant Division superintendents. When the protest is either allowed or denied, the course of action shall be entered in writing and filed with the Association Secretary. The Ellsworth County Fair Association may waive above rules if, in their opinion, it is warranted.

Parents are encouraged to observe in the Conference Judging with the 4-H member. However, the parents are NOT to converse with the judge until the judging of their child's project is complete.

4-H Rules & Regulations

4-H General Livestock Rules

Only those animals exhibited at the County Fair will be eligible for the Premium Sale.

Any animal deemed “wild” will not be allowed to show. This will be determined by the Division Superintendent, Extension Agent, and Fair Board Chair.

All Exhibitors will be provided wood shavings for bedding in pens. Hosing of pens (for cleaning, watering or washing) will NOT be permitted. All washing of animals must occur in designated wash areas. Automatic waterers and misters will NOT be permitted. Fans will be provided in the area. Manure is to be removed and disposed of in the provided areas.

Stall space, at the barn, will be assigned by the Beef, Dairy, Sheep, and Swine Committee.

All sick animals will be barred from the Fair. No health requirements other than those listed under Special Rules in each Division, except in the event of a sudden disease outbreak in the county.

There is no minimum weight to show any livestock animal! There are sale minimum weights (see page 14).

All 4-H members participating in the Livestock Premium Sale MUST have a YQCA certification number on file at the extension office prior to July 1 of the current year.

All animal exhibitors are eligible to enter the Showmanship Contest and will be **entered automatically**. Animals used in Showmanship must be entered in a regular 4-H Livestock class, with the exception of horse. Judging will be 50% on Fitting of the Animal and 50% on Presentation to and Consultation with the Judge.

If the showmanship Champion doesn't show in the Round Robin, then the showmanship Reserve Champion is eligible. They must notify the Extension Office of their intent by 10:00 am on Thursday, July 21.

Animals must be in stalls or pens except when showing, washing, or feeding. Beef exhibits must be tied out in the designated area at night.

Each exhibitor is responsible for the care and appearance of their animals and must furnish their own feed and equipment.

4-H Rules & Regulations

Exhibitors must show their own animals except with permission from the Division Chairperson. The substitute show person must be an Ellsworth County 4-H member.

Showmanship Classes: 4-H member must show their own animal.

Stall cards will be available for pickup at the Fair office.

Ear tags will not be released from the Extension Office.

Kansas 4-H eID ear tags will be required for all livestock animals, except for registered breeding stock. When animals lose their ear tag, they will be re-tagged by an Extension Agent and paperwork verifying the animal's new tag number will be sent to the State 4-H Office.

Exhibits shall reflect the care and concern that Kansans have for livestock, poultry, and companion animals. Animals experiencing illness, injury, or discomfort should be properly treated. Professional veterinary services will be available as needed. An animal may be removed in an emergency situation at the discretion of the veterinarian and/or division chair and/or extension agent.

BARN SLEEPOVER RULES, *Wednesday, July 20*

1. All youth must have an animal at the barn in order to stay.
2. 4-H requires at least 1 adult sponsor for each 5 kids staying at the barn.
Sponsors MUST be a 4-H registered volunteer.
3. Curfew will be set at 11:00 p.m. unless returning with parents. This curfew applies to both youth and sponsors.
4. No Alcohol! Violators will lose ribbon money.
5. It is the right of sponsors to call parents if a child is unruly.
6. A consent form must be signed and returned to the Extension Office by **July 1st before youth will be allowed to stay; NO EXCEPTIONS.**
7. 4-H members without animals in the barn and Non-4-H members must be out of the barn by 11:00 p.m.

Special Rules:

INTENT TO SELL CARDS MUST BE TURNED INTO THE FAIR OFFICE by 10:00 p.m., Wednesday, July 20, 2022, if you intend to sell an item in the auction.

1. Show order will be Grand Champion, Reserve Champion, blue ribbon by drawing, and red ribbon by drawing.
2. 4-H members may sell only one item at the Livestock Auction **OR** one item in the Silent Auction.
3. Only one item may be sold at the Livestock Auction, including poultry, rabbit, hog, market beef, market goat, or lamb.
4. Only animals designated by the committee will be sold.
5. Each club may sell one promotional item. (ex: basket, cookie jar, photo)
6. Any 4-H'er selling livestock at the Ellsworth County Fair will have completed Youth Quality Care of Animals annual certification by July 1st of the current year via Midway District Extension Office on-site classes or online. This includes beef, sheep, goats, swine, rabbits, and poultry. If a certification is not on file prior to July 1 of the current year, exhibitors will not be able to participate in the Livestock Sale.
7. Selling weight of **ALL** market beef will be the entry weight less 3% shrinkage.
8. Hogs and sheep will be weighed the first day of the fair. Selling weight of sheep and swine will be entry weight less 2% shrinkage.
9. To be sold:
 - market lamb-minimum of **90** pounds final weight.

 - market beef-minimum of **1000** pounds final weight.
 - 2nd year bucket calf-minimum of **800** pounds final weight.
 - meat goats-minimum of **60** pounds final weight.
10. Dairy animals are not eligible for the Premium Auction as they are not market animals.

4-H Premium Sale

11. The ECFA Sale Committee has final decision on methods of obtaining and awarding the floor bid, establishing the sale order, securing the auctioneer, ring man and clerks.
12. Exhibitors must be present in order to sell in the premium auction.
13. Animals sold through the sale are ineligible for other 4-H competitions. All 4-H'ers who wish to take their animals to the State Fair or other later shows are not allowed to put the animal through this sale.
14. There will be a 2% commission taken on all items sold through the premium sale. This will be figured on sale amount and any dollars added to each seller after the auction.
15. Late entries for the auction will be accepted until 10 a.m. on Thursday, July 21 with a required late fee of \$20.
16. Buyer ribbons will be available at the Extension Office for sellers to pick up and provide to their purchasers with a Thank You note.

4-H Round Robin

ROUND ROBIN COMMITTEE

Karl Dawn Stover*

Amanda Janzen

Special Rules:

1. Horse, dairy, meat goats, beef, sheep and swine are invited to compete in Round Robin.
2. The Grand Champion Showman of each species is eligible to show for the overall showman.
3. If for any reason, the Grand Champion from any species cannot or wishes not to show for the overall showman, the Reserve Grand Champion from that species will take his/her place.
4. In the event that a showman is selected as Grand Champion from multiple species, the individual has the right to choose which species they will represent in the Round Robin. The Reserve Grand Champion from the species not chosen by the individual will be eligible to participate in the Round Robin.
5. An informational contestant meeting will be held prior to the start of the Round Robin.
6. Contestants will be given a back tag/number to wear as a means of identification throughout the competition.
7. Species will be shown in a random order determined by draw.
8. Prior to the start of the Round Robin, one species will be drawn at random and placed in a sealed envelope. The envelope will be opened in the event of a tie where the placing of the species inside the envelope will determine the Grand and Reserve Grand Champion overall showman.

4-H Round Robin

9. Adult Superintendents from each species will select animals to be used for the Round Robin. Selected animals do not have to be fit prior to the Round Robin, but should be free of any sawdust, manure, etc. before entering the arena. Selected animals will come show ready with leads, halters, show sticks, etc.
10. The champion showman from each species will show their own animal. The remaining animals will be numbered. Each contestant will draw a number at random to select an animal to show. The judge has full discretion once the class starts and may ask contestants to switch animals if necessary.
11. Any substitution of animals for the competition due to any reason will be made at the discretion of the species superintendent and the at large fair board members.
12. Youth will compete in one age division.
13. Each species will show one at a time with all contestants and animals in that species in the ring at the same time. If too few animals of a given species exist, the exhibitors will show the selected animals in waves.
14. The judge will rank the contestants within each species. The contestant with the lowest combined ranking will be the Grand Champion.

Special Rules:

Intent To Sell cards must be turned into the Fair Office by 10:00 p.m.

Wednesday, July 20, 2022, if you intend to sell an item in the auction.

1. See General Livestock Rules.
2. There is no minimum weight to show any livestock animal. Animal must weigh a minimum of **60** pounds final weight in order to sell and can be any breed or combination of goat breeds. No maximum weight.
3. Identification: All meat goats must be tagged with an official 4-H tag. This must be done at weigh in or by submitting a tagging request to the extension office by the deadline.
4. Bracing: Goats must be shown with all four feet on the ground. Exhibitors may use a collar, a collar with a short lead, or a halter when showing. Medium (3mm or smaller) pinch collars will be allowed.
5. Teeth: All wethers must have baby teeth in place with no visible signs of permanent teeth. The decision of the moulder is final.
6. Shearing: At the time of check-in, all market meat goats must be “slick shorn” with uniform hair length not to exceed 3/8” from the knee and hock joints up before arrival on the grounds.
7. Horns: Wethers are suggested to be dehorned. However, if horns are left they should be tipped and rounded.
8. Market goats will be shown by weights in weight divisions if entries require.

Division E – 4-H Meat Goats

9. Doelings and wethers are allowed to show in the Market Meat Goat Show.
10. An exhibitor is limited to a total of six entries.
11. No registration papers are required, except for the registered class.
Registered animals - registration papers must show possession by June 15.
Registered animals must have a copy of registration papers on file at the Extension Office by July 1.
12. Communicable Disease/Club Lamb Fungus – All goats will be visually inspected by a veterinarian for sore mouth, infectious skin lesions (ringworm) and general health. This will be done as you check in your goat. All blankets must be completely removed from all goats at check-in. Any goat found to be infected with active fungal lesions, or other health problems, must be removed from the premises. Any goat may be required to undergo a second health inspection at the Superintendent's request.
14. All goats must have a scrapies tag present in their ear before they may be exhibited at the fair.
15. Exhibits shall reflect the care and concern that Kansans have for livestock, poultry, and companion animals. Animals experiencing illness, injury, or discomfort should be properly treated. Professional veterinary services will be available as needed. An animal may be removed in an emergency situation at the discretion of the veterinarian and/or division chair and/or extension agent.

Shepherd's Lead Contest

Sarah Goss - Chair

The objectives of these classes are to present sheep in the most attractive manner, to improve the image of sheep and to give spectators an opportunity to view well-groomed sheep shown at halter by attractively dressed contestants wearing wool garments. Entrants may purchase or construct their own garments which should consist of at least 60% wool-exclusive of accessories. Judging will be based on the attractiveness and suitability of the garment to the contestant, the contestant's artistry, and appearance and the contestant's ability to control and present sheep at halter. The sheep may not be blanketed during the contest; only head or neck decorated.

****The Ellsworth County Fair Association (ECFA) manages the Silent Auction.**

Special Rules:

INTENT TO SELL CARDS MUST BE TURNED INTO THE FAIR OFFICE by 12:00 pm, Wednesday, July 20, 2022, if you intend to sell an item in the silent auction.

1. 4-H Members may only sell ONE item/animal in either the Livestock Premium Auction OR the Silent Auction. No live animals to be sold in the Silent Auction.
2. Silent Auction is a terminal auction; the item sold will be given to the highest bidder.
3. Members may sell an item in the Silent Auction, regardless of ribbon placing.
4. A Silent Auction item may be comprised of a single item judged at the fair (e.g. a cake) or multiple items judged (e.g. cutting board and loaf of bread, both of which were judged at the fair). Food items must be made fresh (not the item judged), and horticulture items picked fresh.
5. Members will fill out the Silent Auction Intent to Sell form which includes the name of the item, the placing received, the member's name, and the starting bid.
6. "Starting bid" will be the lowest amount the member would accept for the item. If the Starting Bid is not met, the item will not be sold and will be returned to the member, with no money given.
7. The physical item MUST be present in the silent auction room by 12:00 pm, Thursday, July 21, 2022.
8. Silent Auction will be open to bids between 12:00 pm and 7:00 pm on Thursday, July 21, 2022. At 7 pm, bid sheets will be pulled and final winner determined.
9. Silent Auction item, member name, winning bidder, and price will be announced at the beginning of the Livestock Auction at 8:00 pm.
10. Buyer will take possession of purchased item after paying.
11. The ECFA Sale Committee has final decision on all matters of the Silent Auction.
12. There will be a 2% commission taken on all items sold through the Silent Auction. This will be figured on sale amount.
13. No late entries will be accepted.
14. Thank you notes will be available at the Extension Office for sellers to pick up and provide to their purchasers. No buyer ribbons will be given for the Silent Auction.

Division K – 4-H Clothing Construction

CLOTHING JUDGING COMMITTEE

Hadley Huseman

Special Rules:

Anyone wishing to sell Clothing Construction in the Silent Auction must return an Intent to Sell Card to the Fair Office by noon, Wednesday July 20. There is no minimum ribbon placing to sell in the Silent Auction (refer to 4-H Silent Auction Special Rules, p. 32).

1. All garments and articles must have an identification label securely attached on the inside. Pre-cut kits are acceptable in all clothing classes.

Identification Label:

- a. Type or print on 3” x 2 1/2” piece of cloth: Class number, club, and exhibitor’s name;
 - b. Sew or safety-pin ID label on the corner of flat articles
 - c. For garments, attach ID label to the front shoulder seam, or left side of waistband, as if you were wearing the garment.
2. A garment may be entered in both the Fashion Revue and Clothing Construction judging. These are two separate contests with two separate awards.
 3. A Champion and Reserve Champion will be picked in each age category if deserving. Grand Champion and Reserve Grand Champion overall will be selected if deserving.
 4. Exhibitors receiving purples will be limited to one clothing entry at the State Fair.
 5. There is no limit to the number of entries a 4-H member can enter.

Special Rules:

1. A Champion and Reserve Champion will be picked in each age category if deserving. An overall Grand Champion and Reserve Grand Champion in both boys and girls will be awarded if deserving.
2. **A 4-H member must model garment in public fashion revue to receive a ribbon. NO SUBSTITUTE MODELS.** If any ribbon placing is forfeited, ribbons will not be awarded to lower placing.
3. A 4-H member may model two garments in Constructed Garment and two in Buymanship. Only one garment may be modeled in each of Recycled Clothing and Thrift Store. Total garments to be modeled will not be greater than FOUR.
4. **READY-MADE GARMENTS FASHION REVUE**
 - a. Garments must be purchased for the 4-H project, or made by another individual for the 4-H member if the fabric and pattern were chosen by the 4-H member. Everything which is commonly considered an outer garment must be purchased by the 4-H member or constructed by another person

Division L – 4-H Fashion Revue

(vest, jacket, dress, skirt, pants, coat, etc.). A sweater, blouse, or shirt can be purchased or made.

- b. In order to be eligible for the thrift store classes, garments must have been purchased ‘second-hand’ with authentication from the store or individual in the form of a signed receipt or signed Clothing Cost Sheet.
5. CLOTHING CONSTRUCTION FASHION REVUE - Majority of the outfit must be constructed and modeled by the 4-H member who made the garment/outfit. Everything which is commonly considered an outer garment must be constructed (vest, jacket, dress, skirt, pants, coats, etc.) A sweater, blouse or shirt that is not worn as an outer garment can be purchased or made. Constructed garments to be modeled in the Fashion Revue must be exhibited at the Ellsworth County 4-H Fair as well as at the Fashion Revue in a class in Division K or Division M.
6. **All garments must be displayed at the Fair or ribbon money will be withheld.** A garment entry card, ribbon sheet, and comments sheet must be attached to the garment. If a member needs to use their outfit for another event (ie. The showing of animals), they can remove the clothes from display once approval has been made by the clothing superintendent.
7. AN EXPENSE SHEET **AND** A PICTURE WILL BE REQUIRED FOR EACH ENTRY. Thrift Store Expenses sheets need to include an itemized list of owned items, items purchased from a thrift store, name of thrift store, and receipts for purchases.
8. Pre-Entry forms and Narration Sheet are due July 1. Fashion Revue Cost Sheet and Picture come to Fashion Revue, day of event and are handed to the judge at consultation time.

Special Rules:

Anyone wishing to sell Fiber Arts in the Silent Auction must return an Intent to Sell Card to the Fair Office by noon, Wednesday July 20. There is no minimum ribbon placing to sell in the Silent Auction (refer to 4-H Silent Auction Special Rules, p. 32).

1. Identification Label:
 - a. Type or print on 3” x 2 1/2” piece of cloth: Class number, club, and exhibitor’s name.
 - b. Sew or safety-pin ID label on the corner of flat articles.
 - c. For garments, attach ID label to the front shoulder seam, or left side of waistband, as if you were wearing the garment.
2. A member may have only one item in each exhibit option indicated below.
3. When articles which are normally worn as a pair are exhibited, both articles must be shown together. Fasten articles together securely with yarn.
4. Special consideration will be given to articles which are of original design. Such articles should have a note attached explaining the original design.
5. The exhibitor may attach an index card, no larger than 3” x 5”, with the entry form to give the judge any information which the exhibitor thinks would be helpful for the judge to know. Explain whether you created the fabric for a knitted article by hand or by a knitting machine. Explain if the exhibit contains any recycled materials or is made of at least 90% wool.
6. Exhibitors are expected to be enrolled in the Fiber Arts project of which they are entered. When the exhibit is a sewn garment that also includes one or more Heritage Fiber Art techniques (i.e. knitting, crochet, needle arts, or patch- work and quilting), the determination of what division (Clothing or Fiber Arts) and class in which to enter will be left with the 4-H participant.
7. All exhibits which need to be hanging MUST have the appropriate hanger, rod, wire or other mechanism attached in order to be properly displayed.
8. For class 4114 Patchwork or Quilted article – it is acceptable practices for the exhibitor to create the patchwork or quilted article and have someone else quilt it.

Division M – 4-H Fiber Arts

Special Rules:

Anyone wishing to sell Entomology in the Silent Auction must return an Intent to Sell Card to the Fair Office by noon, Wednesday July 20. There is no minimum ribbon placing to sell in the Silent Auction (refer to 4-H Silent Auction Special Rules, p. 32).

1. A 4-H member may choose to exhibit in the Collection or Educational class for each phase or both. Educational classes are limited to one standard box, a maximum of 150 specimens and **work performed during the current year.**
2. Individual entries are to be placed in plexi-glass covered wooden boxes that measure 18" H x 24" W x 3 1/2" D. **Plexi-glass covers are required at the County 4-H Fair and State Fair.**
3. Each exhibitor is required to identify each box by placing an identification label bearing exhibitor's name, county and class. One label goes in the upper left corner of the box (inside) and the other on the back of the box (outside). Arrange specimens in the box so the box can be displayed lengthwise.
4. The number of orders, specimens and families where required must be included on the exhibitor's box identification label.
5. Emphasis in judging will be placed on the overall variety of Kansas insects represented in the collection, accuracy of identification, skill and technique acquired in mounting of specimens and overall arrangement and appearance of the collection.
6. For each collection class two labels will be centered on the pin beneath each specimen. Upper is the common name label and the lower label is a date locality label.

Division T– 4-H Entomology

Educational Classes

- A. Educational classes are limited to one standard box and a maximum of 150 specimens. Title of the exhibit should be indicated inside the box.
- B. Purpose of the project is to learn more about the importance, life cycles, biology, ecology, diversity, etc., of insects and related Arthropods. Subject matter can be as varied as the animals themselves.

Entomology

4900 Beginning Entomology I - Beginning Entomology I Collection –

Display in one standard box of a minimum of 50 and maximum of 125 species representing at least seven orders. Specimens should be grouped according to order. Order labels should be pinned to the base of the box. Members can exhibit in this class a maximum of three years or until they receive a purple ribbon in the Beginning Phase at the Kansas State Fair, whichever comes first.

4901 Beginning Entomology II - Beginning Entomology II Collection -

Display in one standard box a minimum of 75 and a maximum of 150 species representing at least nine orders. Specimens should be grouped according to order. Order labels should be pinned to the base of the box. Members can exhibit in this class a maximum of three years or until they receive a purple ribbon in the beginning phase at the Kansas State Fair, whichever comes first.

4903 Intermediate Entomology - Intermediate Entomology Collection –

Display a minimum of 100 and a maximum of 300 insects representing at least 10 orders. Two standard boxes can be used. All specimens should be grouped to order; in addition, family identification is required for all insects in any two of the following six orders: Orthoptera, Hemiptera, Homoptera, Coleoptera, Diptera, and Hymenoptera. Observe that the number of families identified in these two orders must be recorded on the box identification labels. Families represent subdivisions of order grouping, and family labels will be pinned to the bottom of the box to represent sub-divisions of the appropriate order. Members can exhibit in this class a maximum of three years or until they receive a purple ribbon in the Intermediate phase at the Kansas State Fair.

4905 Advanced Entomology - Advanced Entomology Collection – Display a

minimum of 150 and a maximum of 450 insects representing at least 12 orders. Three standard boxes can be used. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. All butterflies appearing in the collection should be labeled with the correct

Caleb Hays

Special Rules:

Anyone wishing to sell Geology in the Silent Auction must return an Intent to Sell Card to the Fair Office by noon, Wednesday July 20. There is no minimum ribbon placing to sell in the Silent Auction (refer to 4-H Silent Auction Special Rules, p. 32).

1. Exhibit boxes should be 18" H x 24" W x 3½" D. Plexi-glass covers are required. Boxes with glass covers will NOT be accepted. All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18" across the top and 24" deep. If a box has a sliding Plexi-glass cover, it must be removable from the top. Screws, locks or other devices that would prevent judges from removing cover should not be used.
2. Each entry is to be identified by a label bearing name, county and number of specimens in the upper left corner of the box (inside-use clear double-sided

Division V – 4-H Geology

tape to adhere gummed labels) and by attaching a label with the same information on the back of the box.

3. Specimens should be labeled with the number of the specimen, date collected, specimen name or description and locality (county) where collected.
4. For geology classes 5200, 5201, 5202, and 5203, specimens should be mounted in the box by proper groups: rocks, minerals or fossils. Fossils must be identified to the Phylum, Class and Genus level. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents **different** geological formations. Specimen label must show this distinction (For example: Hays limestone not just limestone). Exact species must have different formation names listed on the I.D. card (For example: Composite Brachiopod from Morrill Limestone not just Brachiopod or Composita Brachiopod).
5. All specimens must be collected from locations in Kansas for classes 5200, 5201, 5202, 5203, and 5205. Out-of-state specimens will not be counted in the minimum number for the class nor will they be considered in the judging.
6. Exhibitor may enter in both geology and lapidary classes. They may make only one entry in classes 5200, 5201, 5202, and 5203. Exhibitor may also show in Geology Class 5204 and one or more of the lapidary classes.

Geology

5200 Display – 15 Rocks Display at least 15 rocks, minerals, and fossils collected during the current 4-H year. Limited to one exhibited box 18"H x 24" W x 3½" D with plexi-glass. Only those exhibiting at the fair for the first time may enter this class.

5201 Display – 30 Rocks Display at least 30 different rocks, minerals, and fossils, at least five of each. **15 must be collected during the current 4-H year.** Limited to one exhibit box, this class is open to those exhibiting either first or second time at the fair.

5202 Display – 45 Rocks Display at least 45 rocks, minerals, and fossils at least five of each. **15 must be collected during the current 4-H year.** Exhibit limited to two boxes. List as igneous, metamorphic or sedimentary. This class is open to those exhibiting either the third or fourth time at the fair.

5203 Display – 60 Rocks Display at least 60 rocks, minerals, or fossils, at least five of each. **15 must be collected during the current 4-H year.** Exhibit limited to two boxes. This class is open to those exhibiting the fifth time or more at the fair. List as igneous, metamorphic, or sedimentary.

Division V – 4-H Geology

5204 Geology Educational Exhibit - Exhibit relating to everyday living; or to a mineral test, a rock formation, geological history, species of fossil, forms of one mineral, a variation of one kind of rock, archeological artifacts or Indian artifacts. Exhibit limited to four feet of the table space or to no more than two exhibit boxes. Care should be taken to use durable materials that will withstand County and State Fair conditions. Exhibitor may show in the class regardless of number of times he/she has exhibited at the fair or whether exhibitor has entries in classes 5200, 5201, 5202, or 5203. Exhibitor may also exhibit in lapidary class.

5205 Minerology Display a minimum of 15 mineral specimens collected in Kansas, at least five of which have been collected during the current 4-H year. The minerals are to be grouped by mineral class (ie: Carbonates, Oxides, Silicates) and at least three classes must be represented. The member must use one standard display box (see #1). The specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected and chemical composition (ie: CaCO_3 for calcite) if known.

Lapidary

The lapidary will be judged on the following criteria:

Workmanship – 60 points

Presentation and Showmanship – 30 points

Accuracy of Information – 10 points

5300 Lapidary – Five varieties polished/five varieties unpolished Display at least 30 stones and minerals that will cut or polish. Five of the specimens must be collected by the member from the native site (not limited to Kansas). Polish 15 of the gemstones by tumbling. Label, giving identification of material and county where collected or state or county of origin for non-Kansas material.

5301 Lapidary – Before & After Display before-and-after examples of at least three varieties of specimens, at least two tumble-polished and two unpolished of each. There is no requirement that the 4-H'er collect any of these. Locales must be identified. Lapidary work should be done during the current 4-H year.

5302 Lapidary – Before & After Display before-and-after examples of at least six varieties of specimens, at least two tumble-polished and two unpolished of each. At least two varieties should be collected from the native site by the 4-H'er, at least one of which comes from Kansas. Locals must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

5303 Lapidary – Before & After Display before-and-after examples of at least 9 varieties of specimens, at least two tumble-polished and two unpolished of each. At least three varieties should be collected from the native site by the

Division V – 4-H Geology

4-H'er, at least two of which comes from Kansas. Locals must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

5304 Lapidary. Exhibit at least six specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing, and end, face, or flat lapping. Specimens must represent at least three different varieties and include at least three cabochons of any size or shape, only one of which may be free-formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings.

NOTEBOOKS, POSTERS & DISPLAYS COMMITTEE

Special Rules:

Anyone wishing to sell Notebooks, Posters, or Displays in the Silent Auction must return an Intent to Sell Card to the Fair Office by noon, Wednesday July 20. There is no minimum ribbon placing to sell in the Silent Auction (refer to 4-H Silent Auction Special Rules, p. 32).

1. Exhibits in this division must be based on any one of the 4-H project areas. One display may be exhibited per project in which member is enrolled.
2. Maximum size for posters and project exhibits is 22" H x 28" W x 18" D (Class 7003) or standard tri-fold 3' H x 4' W (Class 7001). Poster exhibits need the following information, provided in the lower right corner: Name, Club and Project Area.
3. Notebooks exhibit should be in a loose leaf binder with the following information provided in the lower right corner of the front cover: Name, Club and Project Area.
4. Exhibits will be judged on general appearance, information and organization.
5. Must comply with state and federal laws.
6. Wildlife-The use of live animals is prohibited in exhibits.
7. Any project represented by three or more displays/notebooks will make their own class.

Special Rules:

Anyone wishing to sell Photography in the Silent Auction must return an Intent to Sell Card to the Fair Office by noon, Wednesday July 20. There is no minimum ribbon placing to sell in the Silent Auction (refer to 4-H Silent Auction Special Rules, p. 32).

1. Exhibitor is limited to a total of **seven** entries in this division.
2. Photographs exhibited must be the result of the current year's project work by the 4-H member.
3. Photos are to be mounted across the narrow eleven inch dimension of the 11" x 12.5" sheet of white or cream studio mount. All photos must be no larger than 8" x 10" and no smaller than 7" x 9" after trimming. No square pictures are allowed. The top edge of the print must be one inch below the top of the mount. The sides of the print must be equal distance from the two sides of the mount. A permanent mount must be made by using photographic adhesive mounting. Remove white border from the enlargement before mounting. Studio mounts are available at the Extension Office. If the following mounting rules are not followed, the exhibit will not be able to go to State Fair: Photos must not be mounted on poster paper or tag board. Mounting rules are the same as for the Kansas State Fair.
Photo Display and Picture Story are not eligible for the State Fair and can be mounted on poster board or tag board.
4. No lettering is permitted on the front of the mount or on the photo; only on the form provided. No under lays or borders are to be used. No contact prints on front of mount.
5. **A photo will be lowered one ribbon placing if improperly mounted, if dating/time stamped appears on photo, or if borders are not removed before mounting.**

Division X – 4-H Photography

6. The exhibitor's name, address, and class should be written on the back of the mount.
7. The black and white class is for black and white only. Monochromatic pictures including sepia prints are considered color photos and must be entered in the appropriate color photo class.
8. To protect exhibits from dust and moisture, it is strongly recommended that photos be placed in a two-gallon zip top bag.
9. Champion and Reserve Champion will be awarded in each age category. A Grand and Reserve Grand will be named from the Champions.
10. All photo entries, except for Photo Display and Picture Display, must be enlargements no larger than 8" x 10" but no smaller than 7" x 9".
11. Appropriate photo subject matter: Photographic subject matter is expected to follow 4-H standards. For a sense of prohibited subject matter, review the Kansas 4-H Member Code of Conduct; in general, if it is not allowable at a 4-H event, it is not allowable in a 4-H photograph at the fair. Photos with live subject(s) on railroad right away or taken from railroad right of way property will not be displayed in Kansas 4-H Photography and will be disqualified and not judged.

ROCKETS – *Special Rules:*

Anyone wishing to sell Rockets in the Silent Auction must return an Intent to Sell Card to the Fair Office by noon, Wednesday July 20. There is no minimum ribbon placing to sell in the Silent Auction (refer to 4-H Silent Auction Special Rules, p. 32).

1. All kit & original rockets must conform to the State Fair Requirement. Please see the Extension Office for State Fair Guidelines.
2. Each exhibitor may enter two rockets constructed during the current year. If two rockets are entered; one rocket must be entered as a "kit" and the second rocket must be entered as a "designed by exhibitor" rocket. The rocket must have been flown. Each rocket exhibited must be able to stand freely by itself or be supported on a wooden base not to exceed 3/4" thick x 8" square for small and medium size rockets. Wooden or metal support rods must not extend past the tip of the nose cone. Support rods must remain in the upright position. **DO NOT ANGLE. (Do not submit on a launch pad).**
3. Each entry must be accompanied by an entry card containing member's name, address, club and number of year's participation in the STEM project.
4. Each exhibitor is required to complete the "4-H STEM Rocketry Exhibit Information Form" available at the Extension Office. The report that accompanies the rocket must be limited to this form which is glued to a 10" x 13" envelope. Plans (or a photocopy) must be placed inside the envelope. This includes original design rockets. If a rocket kit has been modified structurally, notations need to be given indicating the changes made. One or more photographs of the rocket at the launch site are required. Photographs showing the rocket at the moment of ignition are preferred. Photographs should be mounted on one side of 8½" x 11" page.
5. In judging entries, the display method will NOT be considered. Judging WILL be based on quality of workmanship, and quality of finish.

Division Z – 4-H STEM

6. Engines and igniter are not permitted with the exhibit.
7. Plans (or a copy of) must be placed inside the envelope. One or more photographs of the rockets at the launch site are required with the exhibit. Photographs showing the rocket at the moment of ignition is preferred. Place one 8½" x 11" page of photographs, only one side covered, inside the envelope.
8. Angles of the fins must fall with a plus or minus two degrees variation.
9. Exhibit must be uniformly painted, smoothly finished, have decals applied smoothly, and be properly assembled according to accompanying plans.
10. Beginner kits with prefabricated fin assemblies and pre-finished rockets requiring no paintings are NOT acceptable and will be given a participation ribbon.
11. Exhibitors who exhibit a rocket using a size E engine or larger will be required to provide National Association of Rocketry (NAR) membership number on the exhibit information sheet.
12. If a burn ban is in effect for the county, exhibitors are NOT required to launch the rocket.
13. Flight damage is to be documented by the participant on construction plans of information form. Judging of flight damage is to be secondary to all other aspects of the model.
14. Rocket launch at the fair will be at the discretion of superintendent pending weather and if burn ban is in effect.

ROBOTS- Special Rules:

Anyone wishing to sell Robots in the Silent Auction must return an Intent to Sell Card to the Fair Office by noon, Wednesday July 20. There is no minimum ribbon placing to sell in the Silent Auction (refer to 4-H Silent Auction Special Rules, p. 32).

1. All kit & original robots must conform to the State Fair Requirement. Please see the Extension Office for State Fair Guidelines.
2. Each exhibitor may enter three robots constructed during the current year. Only one robot may be entered for each type of construction (kit, original, modified).
3. Each entry must be accompanied by an entry card containing member's name, address, club and number of years in the robotics project.
4. Each exhibitor is required to complete the "4-H STEM Robotics Exhibit Information Form" which is available at the Extension Office. This form must be attached to the outside of a 10" x 13" manila envelope. The exhibit must include written instructions for operation, construction plans, one to three pages of project photographs or a five minute CD, DVD or video presentation, and robot programming information, if applicable. This information should be placed inside the 10" x 13" manila envelope mentioned above. Robots that include weaponry of any kind will be disqualified.
5. The robot must be operational and perform the task for which it was designed.
6. In judging entries, the display method will NOT be considered. Judging will be based on the operation, and the explanations of the functions of the robot.
7. Each exhibitor must be able to demonstrate how the robot operates and explain what is occurring with the robot and why.
8. Each robot must be free-standing, without the need for additional supports in order to be moved or exhibited.
9. Robot dimensions should not exceed 2' H x 2' W x 2' D. Weight may not exceed **15** pounds.
10. All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for electrical components.
11. Robots must be powered by an electrical, battery, water or solar source only.

Division Z – 4-H STEM

Robots powered by fossil fuels/flammable liquids will be disqualified. All robots must include an on/off switch for operation. No remote control devices will be allowed.

DEFINITIONS:

1. Kit Construction–Purchase a robotic kit and assemble exactly as instructed.
2. Modified Kit Construction–Purchase a robotic kit and assemble with minor changes.
3. Original Construction–Design and build your own robot or purchase kit and make major changes.
4. Two types of robots: Tethered robots are hard wired or radio controlled by the operator. Autonomous robots are not tethered, but with on board programmable decision/command and control.
5. Novice Category: Concept Illustration–This category would focus on the pre-requisite knowledge for robot construction. Illustrating the concepts utilized by robots. An apparatus may include several concepts and their potential applications explained. Focus is on Illustration of the concept, not necessarily a "robot." **For 4-H members with 1- 2 years in project.**
6. Intermediate Category: Concept Application–The explanations of the novice category must be included at this level. Focus is on the application of concepts in an apparatus. Novice concepts applied in an apparatus (i.e. kit). This would be a functioning apparatus, illustrated, and explained in a written narrative. This apparatus could be remote controlled (radio or tethered) with or without on board logic/decision making capabilities. **For 4-H members with 3-4 years in project.**
7. Professional Category: Self-Contained, Self-Controlled Robots–Focus is on totally independent robots operating without any interventions performing tasks requiring on board logic choices. Parameters of task and operation must be clearly stated in a narrative. All aspects of operation must be explained. The apparatus needs to illustrate the application of the Novice and Intermediate levels described above. **For 4-H members with 5 or more years in project.**

AG MECHANICS *Special Rules:*

Anyone wishing to sell Ag Mechanics in the Silent Auction must return an Intent to Sell Card to the Fair Office by noon, Wednesday July 20. There is no minimum ribbon placing to sell in the Silent Auction (refer to 4-H Silent Auction Special Rules, p. 32).

1. 4-H members must be currently enrolled in the Kansas 4-H STEM – Ag Mechanics (Welding) project to exhibit in this division.
2. Each exhibitor may enter one exhibit per class. Exhibits must have been constructed or repaired during the current 4-H year.
3. Total exhibit dimensions should not exceed 3 feet high, by 3 feet wide, by 3 feet deep. Total exhibit weight may not exceed 150 pounds (movable by a team of 2 people)
4. Wheeled exhibits must utilize a breaking mechanism which prevents the exhibit from freely rolling while on display
5. Each exhibit must be free-standing or sufficiently supported by an exhibitor supplied support system that is moveable and is part of the total demission's and weight of the exhibit as described previously. Exhibit boards should have a portable and moveable base. No exhibits may be staked to the ground for display.
6. Top heavy items should be braced or placed in a stand sufficient to prevent it from toppling over while on display
7. Exhibits may not be bound, affixed, attached to the buildings, except by the superintendent or Extension Staff.
8. Painting or spot painting is not allowed on projects after arrival on fairgrounds. If wet paint is detected by judges or superintendents one ribbon placing will be deducted.
9. Repair projects having adequate original finish need not be repainted
10. Cutting surfaces, such as blades or knives, are to have a protective covering over them to prevent injury. The covering should be easily removed and reinstalled for judging. Foam "pool noodles" and multiple layers of cardboard are acceptable.
11. Exhibits that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to be used to inflict damage and/or harm to individuals, animal life, and/or property.
12. If the exhibit is powered by flammable liquids (gas, propane, kerosene, etc.) the fuel tank and lines should be drained and allowed to dry, to avoid spills and potential fires
13. Electric powered (battery, corded, solar, or alternative energy) should have a primary shutoff or disconnect switch

Division Z – 4-H STEM

14. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit, at the judges' discretion, will receive a deduction in ribbon placement or a participation ribbon
15. The exhibitor's name(s) and county or district must be tagged or labeled in a prominent location on the display
16. Each exhibit must include an Ag Mechanics information packet. Entry of just a packet without an accompanying exhibit is not a sufficient exhibit.
17. Each exhibitor is required to complete the "4-H STEM Ag Mechanics Exhibit Information Form" which is available through your local K-State Research and Extension office or at www.STEM4KS.com. This form must be attached to the outside of a 10" x 13" manila envelope. Do not tie the envelope to the exhibit.
18. Each exhibit information packet should include the following items:
 - a. Bill of materials for the project with associated costs, scrap items used may be listed as having a \$0.00 cost
 - b. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state
 - c. If appropriate schematics or working drawings relating to the creation or repair
 - d. If appropriate operating instructions

ARCHITECTURAL BLOCK CONSTRUCTION (LEGOS) Special Rules:

Anyone wishing to sell ABC in the Silent Auction must return an Intent to Sell Card to the Fair Office by noon, Wednesday July 20. There is no minimum ribbon placing to sell in the Silent Auction (refer to 4-H Silent Auction Special Rules, p. 32).

1. 4-H members must be currently enrolled in the Kansas 4-H STEM – Architectural Block Construction project to exhibit in this division.
2. Each exhibitor may enter one exhibit. Exhibits must have been constructed during the current 4-H year.
3. Total exhibit dimensions may not exceed 2 feet high, by 2 feet wide, by 2 feet deep.
4. All exhibits should be placed in a sturdy see through enclosure with a top, bottom, and 4 sides. A fish tank would be an acceptable enclosure. This is to keep exhibit parts from being “scattered to parts unknown” at the fair. The outer dimensions of the enclosure are part of the total exhibit dimensions.
6. All components used in construction should be dust free, clean, free of chips, scuffs, or cracks
7. The primary building component should be interlocking blocks, commonly referred to by the brand name of Lego®
8. Other architectural components can be integrated into dioramas to illustrate architectural aspects that may be difficult to convey with traditional interlocking blocks
9. The use of existing “store bought” sets for major architectural elements of the display is not allowed, use of figurines from sets is allowed as are using individual bricks to create something different than the architectural component of the set it came from.
10. Displays must have significant architectural components (walls, windows, doors, roofs, canopies flying buttresses, etc.), landscapes are discouraged
11. Architectural elements should have a consistent look, walls with no pattern or consistency will be deducted one ribbon placing
12. Gaps or cracks should not be visible between assembled blocks
13. Doors should open and close, windows can be either fixed or open and close.
14. Vehicles that are intended to stay in a single place should be affixed to base plates with sticky tack, hot glue, or other method.

Division Z – 4-H STEM

15. Reveals that show the inside of a structure are acceptable, such as only having three walls to allow an unobstructed view into a room.
16. Mechanical enhancements or motion elements that add motion to the diorama are acceptable and encouraged. If used judges should be able to use them and instructions should be provided for operation.
17. Artistic designs with no architectural design/components are not permitted and two ribbon placings will be deducted
18. The exhibitor’s name(s) and county or district must be tagged or labeled in a prominent location on the display
19. Each exhibit must include an Architectural Block Construction information packet. Entry of just a packet without an accompanying exhibit is not a sufficient exhibit.
20. Each exhibitor is required to complete the “4-H STEM Architectural Block Construction Exhibit Information Form” which is available through your local K-State Research and Extension office or at www.STEM4KS.com. This form must be attached to the outside of a 10” x 13” manila envelope. Do not tie the envelope to the exhibit.
21. Each exhibit information packet should include the following items:
 - a. At least one drawing of the desired architecture on graph paper, multiple views (top, front, side) are preferred
 - b. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state
 - c. If appropriate operating instructions for mechanical portions of the diorama

Introductory - Level 1 classes (1 - 3 years of experience)

5710 STEM – Block Construction Diorama illustrating at least 2 architectural features beyond floors, ceilings, and walls

Experienced – Level 2 classes (4 - 6 years of experience)

5711 STEM – Block Construction Diorama illustrating at least 4 architectural features beyond floors, ceilings, and walls, and includes 1 or more motion elements

Advanced – Level 3 classes (7 - 9 years of experience)

5712 STEM – Block Construction Diorama illustrating at least 6 architectural features beyond floors, ceilings, and walls, and includes 2 or more motion elements

Master – Level 4 classes (10 or more years of experience)

5713 STEM – Block Construction Diorama illustrating at least 8 architectural features beyond floors, ceilings, and walls, and includes 3 or more motion elements

Special Rules:

Anyone wishing to sell Visual Arts in the Silent Auction must return an Intent to Sell Card to the Fair Office by noon, Wednesday July 20. There is no minimum ribbon placing to sell in the Silent Auction (refer to 4-H Silent Auction Special Rules, p. 32).

1. Exhibitors limited to a total of six entries, but only one school-made exhibit.
2. A Champion and Reserve Champion will be picked from each age class if deserving. Grand Champion overall will be selected.
3. Articles exhibited must be an original design created by the exhibitor.
4. All visual arts exhibits are evaluated using a visual arts rubric, which takes into account correct use of design elements, craftsmanship, and creativity.
5. Bring entries at the time they are to be judged.
6. All exhibits which need to be hung (including all fine arts) must have a wire or saw tooth hanger attached (no string or tape). If necessary hardware is not attached, it will be deducted a ribbon and will not be displayed.
7. If exhibit has been made from a kit, be sure to enroll it in the kit/mold class (KITS ARE NOT STATE FAIR ELIGIBLE)
8. The judges will choose up to one entry from divisions A-E below to advance to the State Fair competition. (members must be at least 9 years old by January 1 in order to take entries to the state level).
9. Firearms and weapons are not eligible exhibits.
10. Visual Arts Divisions:

A. Fine Arts

Oil, chalk, charcoal, dyes, pastels, pencil, ink, acrylic, or watercolor on canvas, canvas board, paper, wood, metal, or textiles, framed as a picture, prepared for hanging. Stretched canvas art on a wooden frame is considered prepared for hanging provided that frame has a hanger.

B. Clay and Ceramics

Any original item made of clay; may be fired or unfired, hand formed, or thrown on a wheel. Self-hardening, fire/oven-cured, and/or cornstarch clays are acceptable. Items can include, but are not limited to, clay statues, bowls, etc.

C. Leather and Jewelry

Any leather stamping, carving, tooling, lacing, or stitching piece or any jewelry piece made from any medium are acceptable exhibits.

Division AA – 4-H Visual Arts

D. Three-Dimensional

The piece must be observable on at least three sides and should be either free-standing or prepared to be hung. Craft and pre-formed or assembled projects are not acceptable.

E. General Crafts

This category incorporates miscellaneous pieces that do not correspond to the four, above-mentioned categories.

F. Kits/Molds

Anything that is made from a kit or mold (not state fair eligible)

Copyright *Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class, except the kit/mold class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern, and/or size of a pattern does not make the design original. If you create a replica of what you see somewhere else (i.e. Pinterest), it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit.
