Youth Agriculture Scavenger Hunt

The Youth Agriculture Scavenger Hunt is an event at the fair and is open to ALL youth.

The scavenger hunt provides youth an opportunity to learn about agriculture as they enjoy the sights and sounds of the exhibits.

Youth can pick up an activity sheet at the Farm Bureau table at the Parade of Champions on Thursday evening. The activity sheet contains agricultural questions. The youth can 'hunt' for posters around the fair exhibits. These posters contain the information necessary to complete the activity sheet.

The completed activity sheet should be returned to the Farm Bureau table for a prize.

The goal of the project is to help youth gain a better understanding of agriculture and its importance to Kansas.
