

## **Kansas State Fair Market Wheat Show Results**

Excellent quality wheat with high protein values will be exhibited in the Wheat State at the 2018 Kansas State Fair Market Wheat Show, September 7-16, in Hutchinson. Wheat samples were collected across the state and were then analyzed by the Kansas Grain Inspection Service and tabulated by local Extension agents. Points were awarded for milling and baking quality (determined by variety characteristics), test weight, protein content, dockage and the number of shrunken and broken kernels.

The winners from are as follows:

Class: #1-

1<sup>st</sup> Kenneth Gerstberger, Leoti

Class: #2-

1<sup>st</sup> Bob Hern, Sawyer

2<sup>nd</sup> Ross Robertson, Garden City
